

The Jeanne LaDuke Women in Mathematics, Science, and Technology Annual Lecture Series

A Life in Mathematics and Computer Science: Almost Everything You Wanted to Know

Dr. Lenore Blum

Distinguished Career Professor of Computer
Science, Carnegie Mellon University

Thursday, October 19
6:00 pm

DePaul University
Schmitt Academic Center
Room 154
Lincoln Park Campus
2320 North Kenmore Avenue

Dr. Lenore Blum (Ph.D., M.I.T.) is a Distinguished Career Professor of Computer Science at Carnegie Mellon; co-Director of the NSF ALADDIN Center for ALgorithm ADaptation, Dissemination and INtegration; and faculty advisor to Women@SCS. She received the Presidential Award for Excellence in Science, Mathematics and Engineering Mentoring in 2004.

This lecture series is intended to promote the accomplishments of women and to foster community and scholarship among faculty, students and staff interested in the natural sciences, mathematics and computer science disciplines.

The DePaul community is invited to join us for the second annual lecture and reception immediately following.

For more information please refer to the Lecture Series web site at <http://analyzer.depaul.edu/istcenter>

**RSVPs welcomed but not necessary to
